

# Package ‘rcklibs’

August 31, 2014

**Version** 1.5.8.4

**Date** 2014-08-30

**Title** rcklib - CDK libraries packaged for R

**Maintainer** Rajarshi Guha <rajarshi.guha@gmail.com>

**Depends** R (>= 2.0.0), rJava

**License** LGPL

**Description** This package provides the CDK libraries for use in the R environment. Given the size of the library itself, this package is not expected to change very frequently. To make use of the CDK within R, it is suggested that you use the rck package. Note that it is possible to directly interact with the CDK using rJava. However rck exposes functionality in a more idiomatic way. The CDK library itself is released as LGPL and the sources can be obtained from <https://github.com/cdk/cdk>
