zeligverse_update	2

Index	3
--------------	----------

zeligverse_deps *List all zeligverse dependencies*

Description

List all zeligverse dependencies

Usage

```
zeligverse_deps(recursive = FALSE)
```

Arguments

recursive If TRUE, will also list all dependencies of zeligverse packages.

Source

tidyverse

zeligverse_update *Update zeligverse packages*

Description

This will check to see if all zeligverse packages (and optionally, their dependencies) are up-to-date, and will install after an interactive confirmation.

Usage

```
zeligverse_update(recursive = FALSE)
```

Arguments

recursive If TRUE, will also check all dependencies of zeligverse packages.

Source

tidyverse

Examples

```
## Not run:  
zeligverse_update()  
  
## End(Not run)
```
